03 / CUSTOMIZATION

Your brief. Our production.

Develop a footwear range around your brand and market requirements.

01 Logo & branding

Ordinary hand-printed logo customization can be included in the basic quotation.

02 Colors & packaging

Custom colors and packaging are available. Specifications and packaging inclusion require confirmation.

03 Footwear development

Custom footwear shapes, customer-supplied designs and new mold development are available.

04 Special requirements

Special shapes, new molds and special accessories are quoted separately.

OEM MOQ

1,000 pairs per style, per color

04 / ORDER PREPARATION

Define the details.

A clear product brief gives both teams a practical basis for quotation and order confirmation.
